A black and white photograph showing a collection of books and papers. In the foreground, there is a small, open book with a dark cover. To its right, a larger book with a light-colored cover featuring a dark illustration is visible. Several sheets of paper are scattered around these books, some showing text and others showing illustrations. The background is dark and textured, possibly a wall or a large bookshelf.

A black and white photograph of sports equipment. In the center is a football helmet with a dark face mask. To its right is a baseball bat lying horizontally. In front of the bat is a basketball. To the right of the basketball is a large, ornate trophy with a cup and a tall, thin stem topped with a star. The items are arranged on a dark, draped fabric background.

DEDICATION

We the Crescent staff of 1963 dedicate this yearbook to our first Foreign Exchange student, Regula Lerber, from Bern, Switzerland.

It is our hope, that she has gained as much as we have from the friendship that we have shared.

ADMINISTRATION

Congratulations to the Class of 1963. You have completed an important milestone in your lives. Many people look upon a high school diploma as "something" everyone receives. The facts do not support this. 25% of all students who enrolled in the first grade of 1949 dropped by the wayside before receiving their high school diplomas. The importance of finishing high school will become more evident to you as the years go by.

The best of luck to all of you and may you all find success in your future endeavor.

Sincerely,

L. J. Oslund

PEP BAND

"Little but Loud" should have been their nickname, because of their unusual arrangement of instruments. Performing at all home basketball games, the Pep Band was very popular.

The Dance band also became in popular demand by many community and school functions through-out the school year at Cresswell High School.

"The Creswell football team was much improved this year. Fundamentally we were good, but mistakes kept us from the win column several times. Our defense was as tough as they come. I have enjoyed working with the boys this year, I feel the boys who have been out for football will be better citizens for having been on the team. Life is like a football game, and you play it every day. It isn't just the breaks you get, but how well did you play?"

Coach Mawson

Creswell basketball season has finally come to an end and a rather successful end at that. We finished up with a win over McKenzie 6-76 and Dan Zaklan hit 32 points for Creswell High. We finished the season winning over half of our games, won-11 and lost-3, and tying for fourth place in the league.

Our most outstanding players include high scoring Dan Zaklan with 14 point game average and voted the outstanding player award by his team mates. League coaches recommended him for honorable mention in the all opponents team.

Next year we shall have back Gary Markley and Larry Armbrust plus a Sophomore Ron Tharp who looks very promising. Our over all height will diminish somewhat but determination on the part of the players coming back will help us to have a fast and aggressive team.

COACH AND CAPTAINS

Creswell's Wrestling team completed its finest season with a 5 win - 2 loss league record. The Bulldogs placed third in the league standings. Our most impressive league win was over Elmira 53-5.

The outstanding wrestler for the 1962-63 season was LeRoy Davis. LeRoy was picked for his devotion and determination at the District and State Wrestling Tournaments.

Captains, Russ Calhoun and John Kilcullen plan strategy with the coach, Mr. Peck.

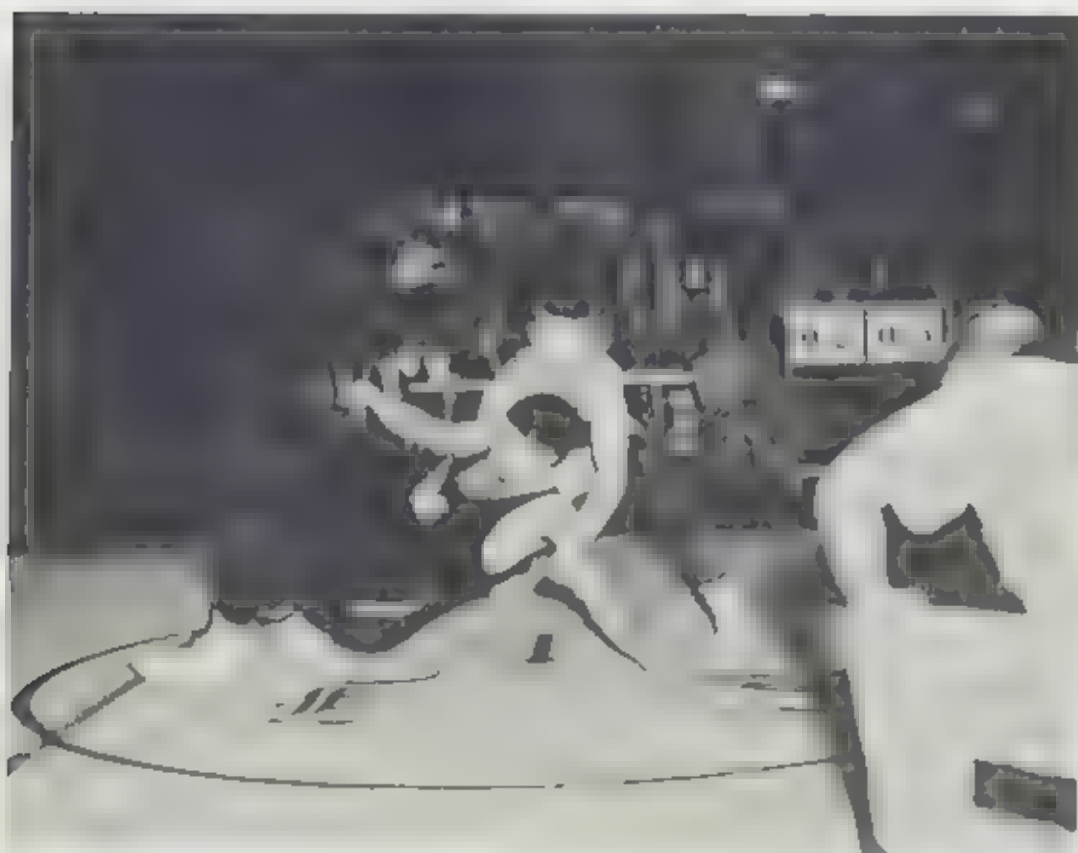

In the District Tournament held at Pleasant Hill, Creswell placed second in a field of fourteen teams. The Bulldogs were well represented in the finals of this tournament. Four wrestlers received second place: LeRoy Davis, 98-lb. class; Claude Perkins, 115-lb. class. John Kilcullen placed third in the 135-lb. class. Four men placed fourth in the competition: Lee Peterson, 135-lb. class, Bob Bigham, 124-lb. class, Steve Petty 168-lb. class and Dennis Johnson, 141-lb. class. The over all team score was first place Pleasant Hill with 87 points and second place Creswell with 56 points. The Bulldogs will lose three wrestlers through graduation, Calhoun, Petty, and Johnson.

BASEBALL

With a young squad and bad weather, we did not win many ball games, but we did learn some fundamentals. With all the players back next year and a good summer program, next year should be a good one.

TRACK

Coach, Joe DaPron

Spring weather is a perennial topic of conversation and certainly this spring the weather needed more than conversation. For spring sports, the weather was ruthless and cruel, and it was not until late in the track season that mother nature became more kind.

Twenty two track candidates braved the elements and finished the season. Among the twenty-two, Creswell High had some talented performers and hard workers. As a whole, the team this year has improved more in a season than past track teams. The reason for this is simple; they worked harder.

Dan Zaklan in the discus and Karl Mawson in the high jump are two boys that finished second in the district 5 A2 track meet and earned a berth in the state finals. Art Hiday and Bob Bigham in the pole vault; Ron Bowers, Jerry Brown and Dennis Nixon in the hurdles; Gary Peterson, Joe Harris, Frank Petty, Harris Murphy, and Kirk McKnight in the 440 and 880. Mark Gorby and Gary Martin in the discus and javelin; Steve Schacht, Bal Webb, Tim Benton and Mike Towle in the shot put; and John Sturges in the high jump are all fine examples of individual improvement. Probably there are others that should be mentioned.

By any comparison, the outstanding track performer for Creswell High School was Senior Allen Fowler. Allen broke one district 5 A2 track record in the high hurdles and tied the low hurdle record. In the state finals, Allen not only successfully defended his broad jumping title, but broke the state broad jumping records. Not content with this achievement, Allen captured two other firsts in the low hurdles and high hurdles. Rarely does an individual capture three first places in a state track meet, but Creswell High has been fortunate to have one each year for two consecutive years.
